Manufacturer Information

For users regarding firmware and hardware updates
(in accordance with the NAMUR 53 recommendation)

1 Type of device

☐ Field device / signal processing device
☒ Monitoring / operating system

Manufacturer	:	Endress+Hauser
Product	:	FOUNDATION Fieldbus™ - Fieldbus indicator
Part number / Order code	:	RID16 – FF-Version

Communication / Interface	:	Communication	Device Type
		FOUNDATION Fieldbus H1	0x10CF

2 Firmware, Hardware I

Type of change:

☒ Firmware version
☐ Hardware I revision

Old version / revision	:	01.00.02
New version / revision	:	02.00.02

How can the old Firmware version / Hardware I revision number be identified:

Display (display of current firmware at device start-up), nameplate, parameter in configuration software)

Description of the modification with respect to the old Firmware version / Hardware I revision:

Certification according to FF- ITK 6.1.2.

3 Compatibility (Firmware, Hardware I)

Is the new Firmware version compatible with the previous version, the installed device drivers, the operating tool compatible / is the new Hardware I revision compatible with the previous revision?

☐ Yes
☒ No, description:

The new firmware requires a new DTM (FDT-Tool) and/or EDD for parameterization of the device.

Is a Firmware / Hardware I update generally recommended?

☐ Yes, reason:

The firmware update / hardware exchange can be performed by means of:
- Replacement of electronic circuit boards; communication and amplifier module
  (This procedure is described in the operating instructions of the measuring system).
- Flashing the new firmware by means of; service or configuration program

☒ No, reason:

Update to revision 02.00.02 is not possible.

4 Instruction manual

Is a new instruction manual required because of the changes in point 2?

☒ Yes
☐ No

Which manual corresponds to the new Firmware version / Hardware I revision:

Device	Communication option	Manual	Documentation code
RID16	FOUNDATION Fieldbus™	Operating instructions	BA00284R/09/EN/15.16

The new instruction manuals can be downloaded from the Internet:
www.endress.com   - area "DOWNLOADS"
                       - enter the device details and type of manual

5 Price

Has the price of the device changed?

☐ Yes, new list price and update costs (without installation) are attached
☒ No
