Name (name of manufacturer, importer or agent) SURNAME Gailer N12895 OR Address (address of manufacturer, importer or agent) Endress + Hauser Pty Limited 277 Lane Cove Road North Ryde POSTCODE 2113 Product description – brand name, type, model, lot, batch or serial number (if available) Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008	Compliant dataila					
Surrame Gailer OR Address (address of manufacturer, importer or agent) Endress + Hauser Pty Limited 277 Lane Cove Road North Ryde Product description – brand name, type, model, lot, batch or serial number (if available) Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	Supplier's details					
Gailer OR Address (address of manufacturer, importer or agent) Endress + Hauser Pty Limited 277 Lane Cove Road North Ryde POSTCODE 2113 Product description – brand name, type, model, lot, batch or serial number (if available) Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	Name (name of manufacturer, importer or agent)	ACMA supplier code number				
Address (address of manufacturer, importer or agent) ABN, CAN or ARBN Endress + Hauser Pty Limited 277 Lane Cove Road North Ryde Postcooe 2113 Product details Product description – brand name, type, model, lot, batch or serial number (if available) Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	Cailer	N12895				
Address (address of manufacturer, importer or agent) Endress + Hauser Pty Limited 277 Lane Cove Road North Ryde Postcooe 2113 Product details Product description – brand name, type, model, lot, batch or serial number (if available) Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	SURNAME GAILET					
Endress + Hauser Pty Limited 277 Lane Cove Road North Ryde Postcode 2113 Product details Product description – brand name, type, model, lot, batch or serial number (if available) Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	GIVEN NAMES Chris	OR				
North Ryde Postcode 2113 Product details Product description – brand name, type, model, lot, batch or serial number (if available) Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	Address (address of manufacturer, importer or agent)	ABN, CAN or ARBN				
Product details Product description – brand name, type, model, lot, batch or serial number (if available) Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	Endress + Hauser Pty Limited					
Product description – brand name, type, model, lot, batch or serial number (if available) Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	277 Lane Cove Road					
Product description – brand name, type, model, lot, batch or serial number (if available) Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	North Ryde POSTCODE 2113					
Brand name: Waterpilot Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	Product details					
Type: FMX21, FMX167 Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	Product description – brand name, type, model, lot, batch or seria	al number (if available)				
Product description: Pressure sensor for hydrostatic level measurement Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	Brand name: Waterpilot					
Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements						
Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008 The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	Product description: Pressure sensor for hydrostatic leve	el measurement				
The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	1 Todade description: 1 Todade deficer for Hydrocatal for medical circles					
The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008. Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements						
Evidence of compliance is demonstrated by test reports to the following applicable standards. Applicable standards Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	Compliance with Radiocommunications (Electromagnetic Compatibility) Standard 2008					
Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements	The above mentioned product complies with the requirements of the Radiocommunications (Electromagnetic Compatibility) Standard 2008.					
Standard title, number and, if applicable, number of the test report IEC 61326-1: 2005 Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements
