

No: TRA / TA / 2741/2013

Date: 15/4/ 2013

Zakiya Al Mahrizy
Commercial Manager
United Engineering Services Co. LLC
P.O. Box:2729, P.C:111
Sultanate of Oman

After compliments,

Subject: Type Approval Certificate

This is in reference to your application dated 02/04/2013 requesting type approval for Short Range Device. Please be advised that Short Range Device, model: SWA70 is hereby type approved. Please find enclosed herewith the type approval certificate.

Please note that this certificate is not an authorization for your company to import such type of equipment. For this purpose, an authorization for the release of the equipment from the “customs” must be obtained from TRA for each of the consignments of telecommunications equipment imported by your company.

Best regards,

Mahmood Omar Al Zadjali
In-Charge-of Steering Type Approval
