

Company **Endress+Hauser SE+Co. KG, Hauptstrasse 1, 79689 Maulburg**

being the manufacturer, declares that the "Product contact materials" of the products

Product **Weld-in adapter G 3/4", d=29 (for pipe-mounting)**

With inspection certificate EN10204-3.1 material 52028295

Weld-in adapter G 3/4", d=50 (for vessel-mounting)

With inspection certificate EN10204-3.1 material 52018765

Material group	Material	Order Number for spare parts (5pcs. of sealing)	Product contact parts
Metals	316L ¹	-	Adapter
Rubber	EPDM ²	71529759	Gasket
Rubber	Silicone ³	52021717	Gasket

are in conformity with following European Regulations:

Regulations Regulation (EC) No. 1935/2004, on materials and articles intended to come into contact with food.

Regulation (EC) No. 2023/2006 on good manufacturing practice for materials and articles intended to come into contact with food.

¹ The metal material meets at least the EDQM (European Directorate for the Quality of Medicines & HealthCare) guide from the Council of Europe for metals and alloys used in food contact materials and articles -2nd edition (2024).

² The EPDM material complies with the German BfR (Bundesamt für Risikobewertung) recommendations XXI Category 3. The material is suitable for all aqueous, acidic and alcoholic foods as well as dairy products.

³ The silicone material complies with the German BfR recommendations XV (in respect to ingredients) and is suitable for contact with food according to Resolution ResAP (2004) "Rubber Products intended to come into contact with foodstuffs" of CoE (Council of Europe).

Additional information:

The product must be cleaned before use, as appropriate for the application. This declaration of conformity emphasizes that the customer is obliged to test the product regarding its suitability in the application. This declaration of conformity is exclusively valid for the listed products as supplied to customer and without any further modification. Since the conditions of use are beyond Endress+Hauser's control, Endress+Hauser makes no warranties, expressed or implied, and assumes no liability in connection with any use of this declaration.

This declaration of compliance refers to the compliance of the mentioned materials with the listed regulations. No further suitability of the products for a specific purpose shall be derived from this.
