

Manufacturer Declaration

適合宣言書

Company **Endress+Hauser Yamanashi Co., Ltd.**

declares as the manufacturer, that the following product

Product **Proservo**
NMS83 - * * * * * + [HA]

has undergone a special and tested cleaning and degreasing process*. All surfaces that come into contact with the process material have been carefully cleaned. After a visual inspection, the cleaned parts were placed into a plastic bag to prevent contamination during transport.

**However, this is not a cleaning process for use in oxygen applications. For these applications, special cleaning must be carried out by the customer. In addition, the customer must ensure the sustainability of the materials in contact with the process e.g. by means of a confirmation from a federal agency.*

This declaration of compliance is exclusively valid for the listed products in delivery status.

は、特別かつ検証された洗浄および脱脂プロセスを受けいています。測定媒体と接触するすべての表面は慎重に洗浄されました。目視検査の後、輸送および一時保管中の汚染を防ぐために、洗浄された部品置はビニール袋に入れられています。

*ただし、これは酸素用途での使用のための洗浄プロセスではありません。これらの用途には、顧客による特別な洗浄が必要です。さらに、顧客はプロセスに接触する材料の適合性を確認する必要があります。

この証明書は、出荷状態のリストされた製品にのみ有効です。
