

# China RoHS (MIIT Order 32) – Substance Declaration

**Company**                      Endress+Hauser Conducta GmbH+Co. KG  
Dieselstrasse 24, 70839 Gerlingen, Germany

as a manufacturer of products for liquid analysis declares, that the product(s)

**Product**                      **Cleaning system CYR51**

**Regulations**                comply with the regulations of the China-RoHS (MITT Order 32) as listed below.

**Result**                      **Name and content of hazardous substances in product**  
**产品中有害物质的名称及含量**

| 部件名称<br>Component<br>Name                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 有害物质<br>Hazardous substances |                      |                      |                                                   |                                                              |                                                                     |                                                                                        |                                                             |                                                     |                                                             |
