

# Dual Label – Fact Sheet

OTMT36 / F2060

The Endress+Hauser Dual Label version is a great way to personalize our products in a simple way. For the Dual Label version a generic product with standardized design and Endress+Hauser approvals is provided with a dedicated space on the nameplate for your additional customer and sales information.

## Area for customer information on the nameplate

### Head transmitter:

Dimensions of customer area: 50 mm x 10 mm
