# Endress+Hauser

People for Process Automation Version 2 (replaces version 1)

Revision: 30.03.2022

# **SECTION 1: Identification of the substance or mixture and of the supplier**

#### **1.1 Product identifier**

Trade name: <u>Standard solution NO3-N</u> Synonym: 0 mg/l

Article number: CY80TN-SX+TA

**CAS Number:** 7732-18-5 **EC number:** 231-791-2

**1.2 Relevant identified uses of the substance or mixture and uses advised against** *No further relevant information available.* 

Application of the substance / the mixture Laboratory chemicals

**1.3 Details of the supplier of the safety data sheet Manufacturer/Supplier:** Endress+Hauser Conducta GmbH+Co. KG Dieselstraße 24 D-70839 Gerlingen

Further information obtainable from: Phone: +49 (0)7156 209-10117 E-Mail: MSDS.PCC @endress.com

1.4 Emergency telephone number: 0064 800 764 766

# **SECTION 2: Hazards identification**

**2.1 Classification of the substance or mixture Classification according to Regulation (EC) No 1272/2008** *The substance is not classified, according to the CLP regulation.* 

Classification according to Directive 67/548/EEC or Directive 1999/45/EC Not applicable.

Information concerning particular hazards for human and environment: Not applicable.

2.2 Label elements

#### Labelling according to EU guidelines:

Observe the general safety regulations when handling chemicals. The substance is not subject to classification according to EU lists and other sources of literature known to us.

2.3 Other hazards

The product does not contain any organic halogen compounds (AOX), nitrates, heavy metal compounds or formaldehydes.

# Results of PBT and vPvB assessment PBT: *Not applicable.*

vPvB: Not applicable.

# **SECTION 3: Composition/Information on ingredients**

3.1 Substances CAS No. Description CAS: 7732-18-5 water Identification number(s) EC number: 231-791-2

(Contd. on page 2)

in accordance with HSNO Printing date 30.03.2022

Revision: 30.03.2022

#### Trade name: Standard solution NO3-N

(Contd. of page 1)

# **SECTION 4: First aid measures**

#### 4.1 Description of first aid measures

General information: No special measures required.

After inhalation: Supply fresh air; consult doctor in case of complaints.

After skin contact: Generally the product does not irritate the skin.

After eye contact: Rinse opened eye for several minutes under running water.

After swallowing: If symptoms persist consult doctor. 4.2 Most important symptoms and effects, both acute and delayed No further relevant information available.

**4.3 Indication of any immediate medical attention and special treatment needed** *No further relevant information available.* 

#### **SECTION 5: Fire fighting measures**

#### 5.1 Extinguishing media

Suitable extinguishing agents:

CO2, powder or water spray. Fight larger fires with water spray or alcohol resistant foam.

For safety reasons unsuitable extinguishing agents: no further information

5.2 Special hazards arising from the substance or mixture No further relevant information available.

**5.3 Advice for firefighters** *No further relevant information available.* 

Protective equipment: No special measures required.

#### **SECTION 6: Accidental release measures**

**6.1 Personal precautions, protective equipment and emergency procedures** *Wear protective clothing.* **6.2 Environmental precautions:** *Dilute with plenty of water.* 

6.3 Methods and material for containment and cleaning up:

Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust).

6.4 Reference to other sections

No dangerous substances are released. See Section 7 for information on safe handling. See Section 8 for information on personal protection equipment. See Section 13 for disposal information.

## **SECTION 7: Handling and storage**

**7.1 Precautions for safe handling** *No special measures required.* **Information about fire - and explosion protection:** *No special measures required.* 

7.2 Conditions for safe storage, including any incompatibilities

Storage:

Requirements to be met by storerooms and receptacles: *No special requirements*. Information about storage in one common storage facility: *Not required*. Further information about storage conditions: *None*. Storage class: *12* 7.3 Specific end use(s) *No further relevant information available*.

#### **SECTION 8: Exposure controls/personal protection**

**8.1 Control parameters Ingredients with limit values that require monitoring at the workplace:** *Not required.* **Additional information:** *The lists valid during the making were used as basis.*  in accordance with HSNO

Printing date 30.03.2022

#### Trade name: Standard solution NO3-N

Revision: 30.03.2022

(Contd. of page 2)

#### 8.2 Exposure controls

Appropriate engineering controls *No further data; see item 7.* Individual protection measures, such as personal protective equipment

#### General protective and hygienic measures:

The usual precautionary measures are to be adhered to when handling chemicals.

Respiratory protection: Not required.

Hand protection No chemical-protective gloves required.

#### Material of gloves

The selection of the suitable gloves does not only depend on the material, but also on further marks of quality and varies from manufacturer to manufacturer.

#### Penetration time of glove material

The exact break trough time has to be found out by the manufacturer of the protective gloves and has to be observed.

Eye/face protection Not required.

Body protection: Protective work clothing

## **SECTION 9: Physical and chemical properties**

| 9.1 Information on basic physical and chemical<br>General Information | properties                                    |
|---|---|

# **SECTION 10: Stability and reactivity**

**10.1 Reactivity** *No further relevant information available.* 

10.2 Chemical stability

Thermal decomposition / conditions to be avoided:

No decomposition if used according to specifications.

10.3 Possibility of hazardous reactions No dangerous reactions known.

**10.4 Conditions to avoid** *No further relevant information available.* 

10.5 Incompatible materials: No further relevant information available.

10.6 Hazardous decomposition products: No dangerous decomposition products known.

## **SECTION 11: Toxicological information**

11.2 Information on other hazards

**Endocrine disrupting properties** 

Substance is not listed.

# **SECTION 12: Ecological information**

12.1 Toxicity

Aquatic toxicity: No further relevant information available.

12.2 Persistence and degradability No further relevant information available.

12.3 Bioaccumulative potential No further relevant information available.

12.4 Mobility in soil No further relevant information available.

12.5 Results of PBT and vPvB assessment

PBT: Not applicable.

vPvB: Not applicable.

12.6 Endocrine disrupting properties

The product does not contain substances with endocrine disrupting properties.

Version 2 (replaces version 1)

Trade name: Standard solution NO3-N

#### 12.7 Other adverse effects

Additional ecological information: General notes: Not hazardous for water.

## **SECTION 13: Disposal considerations**

**13.1 Waste treatment methods Recommendation** *Smaller quantities can be disposed of with household waste.* 

Uncleaned packaging: Recommendation: Disposal must be made according to official regulations. Recommended cleansing agents: Water, if necessary together with cleansing agents.

#### **SECTION 14: Transport information**

# **SECTION 15: Regulatory information**

15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

New Zealand Inventory of Chemicals

Substance is listed.

HSNO Approval numbers

Substance is not listed.

#### Directive 2012/18/EU

Named dangerous substances - ANNEX I Substance is not listed. 15.2 Chemical safety assessment: A Chemical Safety Assessment has not been carried out.

## **SECTION 16: Other information**

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.

#### 16.3 Recommended restriction of use
