

# Dual Label – Fact Sheet

OTMT71 / F20221

The Endress+Hauser Dual Label version is a great way to personalize our products in a simple way. For the Dual Label version a generic product with standardized design and Endress+Hauser approvals is provided with a dedicated space on the nameplate for your additional customer and sales information.

## Area for customer information on the nameplate

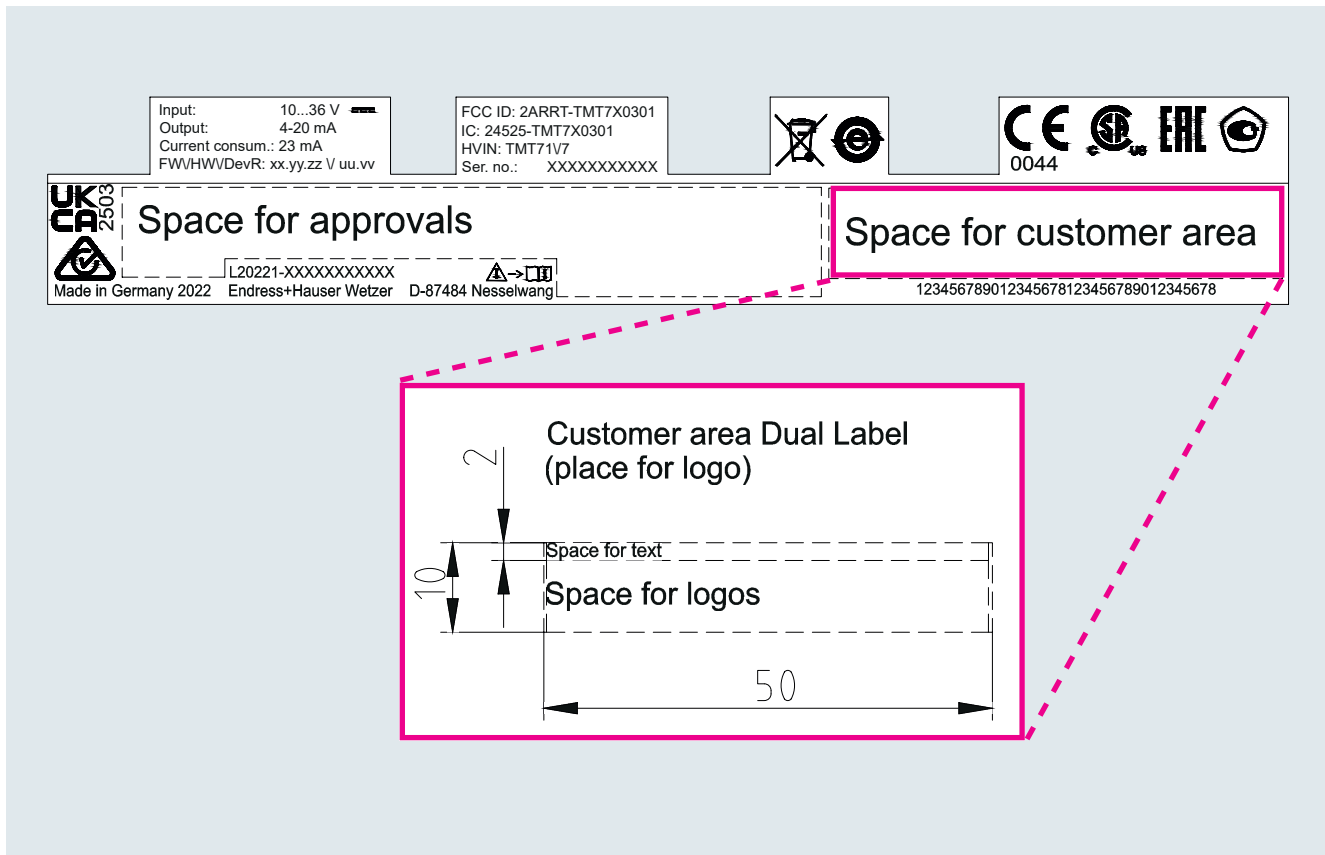

### DIN Rail:

Dimensions of customer area: 81 mm x 16 mm

## Head transmitter:

Dimensions of customer area: 50 mm x 8 mm
