

Installation Instructions

Rope extension

Source Container FQG74

1 Intended use

- A defective unit can only be replaced with a functioning unit of the same type.
- Any tampering with the cable extensions is not permitted.
- If a different rope length is required, only use an original part. Contact the Endress+Hauser sales organization.
- In the W@M Device Viewer, check if the spare part is suitable for the existing device.

 In some devices, an overview of spare parts is provided inside the device. If the spare part set is listed in the overview, it is not necessary to check the Device Viewer.
