| 壳体<br>Housing                 | X                            | 0                 | 0                 | 0                                   | 0                                      | 0  |
| 金属零件<br>Metal Components      | X                            | 0                 | 0                 | 0                                   | 0                                      | 0  |
| 塑料部件<br>Plastic Components    | 0                            | 0                 | 0                 | 0                                   | 0                                      | 0  |
| 天线<br>Antenna                 | 0                            | 0                 | 0                 | 0                                   | 0                                      | 0  |

本表格依据SJ/T 11364的规定编制。This table is made per guidance of SJ/T 11364  
 O: 表示该有害物质在该部件所有均质材料中的含量均在GB/T 26572规定的限量要求以下。  
 O: Indicates that this hazardous substance contained in all of the homogeneous materials for the part is below the limit requirement in GB/T 26572.

X: 表示该有害物质至少在该部件的某一均质材料中的含量超出GB/T 26572规定的限量要求。  
 X: Indicates that this hazardous substance contained in at least one of the homogeneous materials used for this part is above the limit requirement in GB/T 26572.
