

Statement attests that the following Endress+Hauser field device:

Model: Deltapilot S
Description: FOUNDATION fieldbus Hydrostatic Level Transmitter
Manufacturing ID: 0x452B48
Device Revision: 1
DD Revision: 2
Device Type: 0x100B
Software Revision: 1.20

has been tested with the following Rockwell Automation Integrated Architecture-based host system:

Controller Model: Allen-Bradley ControlLogix
Controller Catalog Number: 1756-L63
Controller Firmware Version: 15.4
Linking Device Model: FOUNDATION fieldbus Linking Device
Linking Device Catalog Number: 1757-FFLD
Linking Device Firmware Version: 1.6
RSFieldBus Software: 2.0

and satisfactorily meets system interoperability measures as jointly established by Rockwell Automation and Endress+Hauser and verified through completion of common test procedures performed by either party.
